EVENTS CALENDAR

AQUATICS CENTER

March 24, 2007 | Summer Recreation Job Fair

Summer & Sport Camp leaders, ticketing and concessions workers 9:00 A.M. - 11:30 A.M.

Lifeguard and swim instructor positions - 1:00 P.M. - 4:30 P.M.
For additional information, call Jolie Hunter at 782-2134 x 702

COMING TO THE COMMUNITY PLAYHOUSE

March 16 - March 31 | School House Rock!

May 11 - June 2 | California Suite

Presented by the South Valley Civic Theatre
Tickets available at the Community Center. For additional information call 842-SHOW or visit www.svct.org

Last Thursday of Every Month | Comedy Night at the Playhouse

Tickets at the door - \$12 / Advance tickers are \$10
Doors open at 7:30 P.M. - show begins at 8:00 P.M.
(not recommended for children under 18)
For additional information call 782-0008 or visit www.wesjoke.com/playhouse

For additional information on all Playhouse performances, contact Karen Lengsfeld at Morgan Hill Community Playhouse 408.782.0008.

City To Recruit Board & Commission Members

The City Council of Morgan Hill is planning to fill 20 vacancies on 6 of its advisory commissions in April and June 2007.

Seats will be available on the Library, Culture & Arts Commission (3 appointments) in April 2007. Applications will be made available March 1, 2007 in the City Clerk's office and on the City's website (www.morganhill.ca.gov). Deadline for submitting an application for these appointments is Friday, March 23, 2007 at 5:00 p.m.

Seats will be available on the Architectural & Site Review Board (3 appointments); Mobile Home Rent Stabilization Commission (3 appointments); Planning Commission (4 appointments); and Senior Advisory Commission (4 appointments) in June 2007. Applications will be made available April 2, 2007 in the City Clerk's office and on the City's website (www.morganhill.ca.gov). Deadline for submitting an application for these appointments is Friday, April 27, 2007 at 5:00 p.m.

Seats will be available on the Bicycle & Trails Advisory Committee (3 appointments) in April 2007. The Parks & Recreation Commission will interview and appoint to fill vacancies on this Committee. Applications will be made available March 1, 2007 in the City Clerk's office and on the City's website (www.morganhill.ca.gov). Deadline for submitting an application for these appointments is Friday, March 23, 2007 at 5:00 p.m.

Please contact the City Clerk's Office at (408) 779-7271 for information regarding these Board, Commission and Committee vacancies.

Dog Park

On Saturday, January 20th, over 100 residents attended the Grand Opening of Morgan Hill's first Off-leash Dog Park located at the southeast corner of Community Park on Edmundson Avenue. It is approximately 1 ½ acres in size built within the area of Community Park designated as a "Low Maintenance or Fringe Area". This low maintenance area is part of a 25% reduction in Full-service Park Maintenance throughout all our City Parks.

A small group of citizens created D.O.G. "Dog Owners Group", a private non-profit group under the Morgan Hill Foundation and through private fund raising efforts, raised \$27,000. In November of 2006 D.O.G. approached Council to offer their funding as a donation to the City for Off-Leash Dog Park Improvements and requested the City contribute \$20,000 to the project. Council approved the idea of the donation and appropriated additional City funds to the Dog Park. In addition, Permagreen Hydroseeding donated \$4,500 in labor and materials, Associated Concrete donated \$1,200 for the fence posts footings and the Rotary Club of Morgan Hill donated the bulletin board.

The Park is completely fenced with separate areas for small and large dogs.

Amenities include 2 doggie watering

stations, benches for owners to socialize, fire hydrants (a second one being installed in the next month), and Doggie mitt stations for Dog Owners to clean up after their pooches. Future amenities will be identified in a Master Plan being developed by D.O.G.

The Dog Park area is currently covered in turf with mature trees throughout. D.O.G has agreed to continue their financial support of the Project by paying for the ongoing costs of watering and mowing the turf. This agreement was arrived at to keep the City from using General Fund Monies to maintain the Dog Park that otherwise had been designated by Council as a low maintenance area.

Rules for use of the park are posted at the main gate. Questions about the Dog Park's operation may be directed to Mori Struve, Deputy Director of Public Works at 776-7333. D.O.G. may be contacted at 779-3451 for Gloria Zufall or Yvonne Davenport and 848-0951 for Marlys Warner.

Please park in designated spaces.

New On-line Reporting System

The Morgan Hill Police Department is pleased to announce a new online police reporting option for the public. This web based system allows the public to file reports of certain incident types or minor incidents (small thefts, vehicle burglaries, lost property, hit & run accidents and crime tips) over the internet at their convenience.

This new service will allow a person to file a report at a time that is best for them without having to wait for an officer to respond or call them back. Upon completion of the report the

person is then able to print a temporary copy for their records. The report is reviewed by police personnel and once approved, the person filing the report will receive an email with a copy of the final report attached without cost. The report will transfer into the Morgan Hill Police Department's records management system and receive the same investigation and statistical analysis ability as if the report had been filed by a police officer.

This web based reporting option will allow officers to spend more time to address other community needs while keeping pace with the public's expectation of completing services via the Internet.

The web based crime reporting service can be accessed on the Police Department Webpage or at www.morganhill.ca.gov/html/copologic/start-report.html.

LIBRARY OPENING COMING THIS SUMMER

Construction on the new Library continues moving forward on-schedule and on-budget. Opening of the facility will take place this summer. Construction work began in April 2006.

Although it may not be readily visible from the outside, substantial construction activity is taking place within the Library structure. Interior partitions and electrical hook-ups are being installed, as well as sheetrock. The interior mechanical systems, including heater, air conditioner, ducting, and vents are also well under way.

One outside item soon to become visible as part of the Library construction - and of particular interest to those with children - is a neighborhood playground. This will be located at the corner of DeWitt and Alkire avenues. It will include a play structure, seat walls, and landscaping.

Watch for further updates on the Library opening in future issues of "City Connections," or, view a live construction webcam through the City of Morgan Hill website at www.morgan-hill.ca.gov at the link: "Construction of New Morgan Hill Library Has Begun".

City Reduces Development Impact Fees by Committing Upwards of \$65 Million Infrastructure Projects

The City's Redevelopment Agency Board unanimously approved the reduction of Traffic Impact Fees as well as the elimination of Sewer Impact Fees in the Redevelopment Project Area. The reduced fees will become effective February 5, 2007.

The City recently amended its Redevelopment Agency Plan to increase the tax increment amount by \$333 Million. The City now plans to commit about \$65 Million of this amount on future infrastructure projects, which supports the Redevelopment Agency's Policy to give preference to the construction and installation of public improvements and infrastructure to offset the general cost of development in the Redevelopment Project Area. The Redevelopment Agency Board decided to fund these specific infrastructure improvements to remove what has been cited as an inhibitor to private development and rehabilitation within the Redevelopment Agency Project Area.

The list of traffic improvement projects to be funded by the Redevelopment Agency includes the widening of Tennant Avenue at the Highway 101 over crossing, extension of Butterfield Boulevard south to Watsonville Road, median and landscaping improvements on Monterey Road, extension of Santa Teresa Boulevard from Main Street to Spring Street and various other road improvements.

The City charges Traffic Impact Fees based on the incremental impact new development is expected to have in the City's road network. These funds are then used to fund 35

specific projects worth approximately \$60 Million (based on 2002 estimates) identified in the 2002 Traffic Impact Fee Study conducted by DMG Maximus. From this list, the Redevelopment Agency has committed to fund 14 projects located within, or directly benefiting the Redevelopment Project Area, therefore reducing the amount new development must pay in Traffic Impact Fees. The current estimated cost of these projects is approximately \$45 Million. This means a new single family residential unit which would have paid \$3,181 in Traffic Impact Fees under the old fee schedule would now be assessed \$1,383, representing a savings of 56.5%. Commercial and industrial development will see the same reduction in Traffic Impact Fees as the current fee of \$3,160 per peak hour trip will be reduced to \$1,383 under the new fee structure. For industrial development, a typical 40,000 sq. ft. R&D building would now pay about \$41,000 in traffic impact fees versus \$94,000.

Similar to Traffic Impact Fees, Sewer Impact Fees are charged to new development to finance the expansion of the waste water treatment facility to expand sewer capacity. The City's Redevelopment Agency will spend up to an estimated \$20 Million to purchase the sewer capacity needed to accommodate future growth within the Redevelopment Project Area thru 2020. This means all new commercial and industrial development within the Redevelopment Project Area and residential development within the downtown Residential Development Control System boundary will no longer pay Sewer Impact Fees to the City through the year 2020. Under the previous Sewer Rate Fee Schedule, a

single family residential unit would have been expected to pay \$9,060, while commercial and industrial development are charged \$31.01 per gallon per day. A typical 40,000 square feet R&D development would previously pay about \$66,000 in sewer impact fees. Now that fee is \$0. New development occurring outside the Redevelopment Agency Plan Area boundaries will still be subject Sewer Impact Fees.

The table below illustrates the effect reduced Traffic and Sewer Impact Fees will have on various types of new development.

COMPARISON OF TRAFFIC AND SEWER IMPACT FEES					
Type of Development		Previous Fees	New Fees	In \$/Sq. Ft.	Savings
Residential (single family located in downtown RDCS area within the Project Area)	Traffic	\$ 3,181	\$ 1,383	n/a	\$ 1,798
	Sewer	\$ 9,060	\$ -		\$ 9,060
Residential (single family)	Traffic	\$ 3,181	\$ 1,383	n/a	\$ 1,798
	Sewer	\$ 9,060	\$ 9,060		\$ -
Sit Down Restaurant (5,000 sq. ft.) in project area	Traffic	\$ 107,199	\$ 46,607	\$ 9.32	\$ 60,592
	Sewer	\$ 74,424	\$ -		\$ 74,424
Retail Center (20,000 sq. ft.) in project area	Traffic	\$ 155,233	\$ 67,490	\$ 3.37	\$ 87,742
	Sewer	\$ 65,741	\$ -		\$ 65,741
Commercial/Office (40,000 sq. ft.) in project area	Traffic	\$ 189,588	\$ 82,427	\$ 2.06	\$ 107,161
	Sewer	\$ 115,357	\$ -		\$ 115,357
Manu/Light Industrial (40,000 sq. ft.) in project area	Traffic	\$ 94,158	\$ 40,937	\$ 1.02	\$ 53,221
	Sewer	\$ 65,741	\$ -		\$ 65,741

Note: Proposed fees within the Redevelopment Project Area.
Fees are based on typical developments

25 Years of Redevelopment

For more than 25 years, the Redevelopment Agency (Agency) has delivered on its promise of “Making It Happen” in Morgan Hill. By successfully implementing the Ojo De Aqua Redevelopment Project Plan in 1981 and the 1999 plan amendment, the Agency’s impact on the community is evident. Through improving infrastructure, creating affordable and attractive housing, state-of-the-art community facilities, refurbishing downtown, revitalizing the economy, and preserving historic sites, the Agency has helped shape Morgan Hill into the community it is today.

The Agency is responsible for building a variety of community facilities and improvements such as the Community and Cultural Arts Center, Centennial Recreation Center, Aquatics Center, soon to be opened Library, Butterfield Boulevard extension from Cochrane to Tennant Avenue, and various downtown streetscape improvements (Depot St.).

To continue the Agency’s efforts, the City Council and Morgan Hill Redevelopment Agency approved another amendment to the Redevelopment Plan in November 2006. Without a Plan Amendment, the Agency would have reach its current \$247 million cap limit in January 2008 and, in effect, be out of money. However, numerous projects are still needed to implement the Redevelopment Plan.

The Plan Amendment will primarily focus on public infrastructure, downtown, economic development, and affordable housing activities. Public infrastructure includes street improvements such as extending Butterfield Boulevard from Tennant Avenue to Monterey Road and the expansion of the waste water treatment facility (i.e., sewer) to accommodate future growth in the Project Area. Downtown improvements will address such projects as streetscapes, lighting, parking, and utility undergrounding. The Agency will be committing upwards of \$100 million to fund these improvements.

Under the Plan Amendment, the Agency took the following key steps:

- Removed area where Redevelopment has been successful, thus, enabling the City to receive more property tax dollars towards the general fund.
- Reinitiated bonding authority essential to fund major projects upfront.
- Increased the tax increment cap limit by \$333 million to new cap limit of \$580 million.
- Did not reauthorize the use of eminent domain.

As a result, the Agency will be able to continue its operations and activities thru 2022 (projected).

CITY’S RDA MAKES SIGNIFICANT INVESTMENT IN PLANNED OUTDOOR SPORTS CENTER

The Outdoor Sports Center, or more commonly referred to as “the Soccer Complex”, will soon receive a major “sports lift”. The Morgan Hill City Council/Redevelopment Agency Board recently approved the \$10 Million Phase I plans and authorized the project to move forward.

The 38 acre property which is currently used primarily for regional soccer tournaments is located next door to the Aquatics Center at 16500 Condit Road. The property was purchased for the purpose of constructing an Outdoor Sports Center to meet the community’s recreation needs. This project has been four years in the making and is the first step towards the concept master plan that was adopted by the City Council/ redevelopment Agency Board in December 2004.

Phase One will convert existing facilities by replacing two of the eleven grass turf soccer fields with synthetic turf fields that will include field lights, player benches, spectator shaded bleachers, announcers stand, electronic scoreboards and drinking fountains. The existing trailers and portable restrooms will be replaced with a new building that will accommodate restrooms, concessions with a warming kitchen, and meeting room for officials. The current gravel parking lot will be paved, lighted and landscaped. In addition to the enhanced field amenities, there will also be street improvements including the widening of Condit Road, and the addition of curb, gutter, street lights, and pedestrian sidewalk to connect this project with the Aquatics Center.

The project is expected to be under construction by May 1, 2007 and fields available for use by community groups in October 2007. The building will then be complete by October 31, 2007.

FLOODING WITHIN THE CITY OF MORGAN HILL

This brochure is provided to acquaint you with the flood hazards in Morgan Hill and to give you some ideas of what you can do to protect yourself.

Special Flood Hazard Areas (SFHAs): Certain areas have been designated by the Federal Emergency Management Agency (FEMA) as Special Flood Hazard Areas. Approximately one-twelfth of the City is within these flood zones (see flood map included herein). SFHAs are areas within the 100-year flood boundary as mapped by FEMA. A "100-year flood" refers to a flood level with a 1 percent or greater chance of being equaled or exceeded in any given year. There is a 26% chance that a structure located in a SFHA will be inundated by a 100-year flood during the life of a 30-year mortgage. In comparison, the risk of fire is approximately 5% in the same time period. Smaller floods have a greater chance of occurring in any given year and can still create a significant hazard to life and property.

In Morgan Hill, SFHAs are generally located near the following major creeks: Llagas, West Little Llagas, Edmundson, Foothill, Paradise, Tennant, Coyote, Maple and Corralitos. The Santa Clara Valley Water

District (SCVWD) is responsible for improvements to and maintenance of these major creeks.

Local Flood Hazard: Flooding in our City is generally caused by the following: a creek overtopping its banks, clogged catch basin or storm drains, poor site drainage, and mud & debris laden flows from the hills above Morgan Hill. To find out the flood hazard of your property, or information on flood related questions, call the City Public Works Department - Engineering Division at (408) 776-7337.

City Flood Service: If requested, the City staff will visit a property to review its flood problem(s) and explain ways to reduce flooding potential or help to prevent flood damage. Flood maps and flood protection references are also available at the Morgan Hill Public Library, located at 17575 Peak Avenue, phone (408) 779-3196.

For information on selecting a qualified architect, engineer, or contractor; including filing a complaint for unsatisfactory performance, call the City Community Development Department-Building Division at (408) 779-7241.

RECENT AND PLANNED IMPROVEMENTS

The City of Morgan Hill and the Santa Clara Valley Water District (SCVWD) are working to reduce the risk of flooding. Substantial improvements to storm drain facilities that have already been completed in the last ten years:

- Nordstrom Park Detention Basin
- Church Street Storm Drain System Improvements
- Depot Storm Drain
- Sections of Butterfield Channel
- Farallon Drive Storm Drain

Projects scheduled within the next five years include:

- Upper Llagas Creek Improvements - PL566 (SCVWD & US Army Corps of Engineers)*
- Butterfield Detention Basin
- Hill Road Storm Drain at E. Dunne Avenue

For more information on these projects, call the City Public Works Department-Engineering Division at (408) 776-7337 or SCVWD at (408) 265-2600.

* The City of Morgan Hill and SCVWD are jointly funding preliminary studies to continue design of the Upper Llagas Creek Improvements - PL566 project.

MORGAN HILL FLOOD REPORT

IMPORTANT INFORMATION CONCERNING FLOODING POTENTIAL IN MORGAN HILL FEBRUARY 2007

Year Flood Zones

DRAINAGE SYSTEM MAINTENANCE

Although the City and SCVWD regularly clean and maintain channels, dumping debris into storm drains creates problems for everyone. Such dumping not only results in an expense to taxpayers for cleanup, but also can restrict water flow and create flood hazards. The dumping of debris into the City's storm drainage channels is prohibited by Municipal Code. To report cases of illegal dumping in channels, dial (408) 779-2101.

FLOOD WARNINGS

If flooding occurs, the City will warn citizens through radio, TV announcements, and emergency officials and vehicles.

- Know the flood warning procedures and plan escape routes to high ground
- Monitor the level of water in the street or flood control channel
- Stay tuned to your battery operated radio (AM 1610) or TV (Channel 17) for possible warnings
- Turn off water and electricity in your home during flood emergencies; turn off gas only if you smell gas
- Be especially cautious at night

For additional information on the City's flood warning and emergency response plan contact the City Office of Emergency Services, Police Department, 16200 Vineyard Boulevard (408) 779-2101.

FLOODPLAIN DEVELOPMENT PERMIT REQUIREMENTS

Any development within the SFHA is subject to Federal and City floodplain management requirements. Always check

with the Building Department before you build on, alter, regrade, or fill on your property. To report illegal floodplain development activity, call the City Community Development Department-Building Division at (408) 779-7241.

Floor Elevation: New residential buildings in the SFHA must have their lowest floor elevation (excluding garage) flood-proofed or raised a minimum of 1 foot above the base flood (100-year) elevation.

Substantial Improvement (SI): Substantially improved structures in the SFHA must meet the same floodplain construction requirements as new buildings. SI is defined as any reconstruction, rehabilitation, addition, or other improvement of a structure, the cost of which equals or exceeds forty-nine (49) percent of the fair market value of the structure before the start of the new construction. Improvements to any structure within the SFHA are cumulatively tracked for 10 years.

Substantial Damage (SD): Substantially damaged structures (a structure damaged so that the cost of repairs equals or exceeds 49% of the structure's value before it was damaged) in the SFHA must also meet the same floodplain construction requirements as new buildings.

To find out more about these requirements, contact the City Public Works Department-Engineering Division at (408) 776-7337, or the City Community Development Department-Building Division at (408) 779-7241.

PROPERTY PROTECTION MEASURES

There are several ways to help protect property from flood hazards. The following examples may or may not be economically feasible or practical for every situation:

- Provide adequate drainage paths around structures on slopes.
- Elevate or relocate electrical panel boxes, furnaces, water heaters, and appliances to an area that is less likely to be flooded.
- Move essential items and valuables to the upper floors of your home if flooding is likely.
- Keep materials such as sandbags, plywood, and plastic sheeting handy for emergency waterproofing. Sandbags can be obtained at the City Corporation Yard, located at 100 Edes Court. For other sandbag locations, call SCVWD at (408) 265-2600, or visit their web site at www.heynoah.com.
- Anchor the structure to prevent flotation, collapse or lateral movement.
- Elevate homes so that the lowest floor is a minimum of 1 foot above the base flood (100 year) elevation.

For more information about how to help protect your property from floods or retrofitting techniques, call the City Public Works Department-Engineering

Division at (408) 776-7337 or visit the Morgan Hill Public Library, located at 17575 Peak Avenue, phone (408) 779-3196.

FLOOD INSURANCE

The National Flood Insurance Program (NFIP) makes flood insurance available to everyone in the City. Renters can also purchase flood insurance to cover their possessions. For information about flood insurance, call your insurance agent or the NFIP customer service line at (800) 638-6620.

Homes and businesses located within SFHAs are required to be covered under a flood insurance policy as a condition of federally funded loans or mortgages. The minimum standard flood insurance coverage required by the federal government for a SFHA property is the lesser of the following: 1) the outstanding mortgage balance on the structure, 2) the replacement cost of the structure, or 3) \$250,000 for a residential structure, and \$500,000 for industrial/commercial. This insurance coverage limit does not apply to property outside the SFHA.

Community Rating System (CRS):

The NFIP created the Community Rating System (CRS) to promote flood awareness and reduce flood

losses. The City of Morgan Hill has recently been accepted as a participant of this program. As a result, the residents of Morgan Hill who purchase flood insurance enjoy a 15% automatic reduction on their flood insurance premiums effective May 2003.

Elevation Certificate (EC):

An Elevation Certificate (EC) provides elevation information necessary to determine the proper insurance premium rate. If your house is at or above the base flood elevation, you could receive a substantial discount on your flood insurance premium by providing an EC to your insurance agent.

For properties in flood Zone AO, an EC can be filled out by the property owner or the owner's representative. For all other flood zones, the EC will have to be prepared by a licensed surveyor or engineer.

Copies of the form and instructions are available from the City Public Works Department-Engineering Division at (408) 776-7337, the

City Community Development Department-Building Division at (408) 779-7241, or can be downloaded from FEMA's website at www.fema.gov/library/elvcert.pdf.

The City of Morgan Hill maintains the Elevation Certificates of all new and substantially improved buildings in the SFHA. To obtain a copy

of the certificates or for help in preparing one, call the City Public Works Department-Engineering Division at (408) 776-7337, or the City Community Development Department-Building Division at (408) 779-7241.

RECREATION

SPRING 2007 ACTIVITIES START NOW!

Register for Community and Cultural Center classes now!

Morgan Hill Community and Cultural Center

17000 Monterey Road - Morgan Hill - 95037

Hours: Monday & Friday 8am-5pm - Tuesday-Thursday 8am-8pm

KinderClass Location: CCC/Children's Pavilion

This is a parent-child participation class for preschool age children. We will gather for circle time activities such as singing, story time, singing, finger plays, and music and movement. Parent participation required.

#4302.105 02/26 - 04/02 M 09:30-10:30am 2½-5yrs 6 Sessions
#4302.106 02/26 - 04/02 M 10:45-11:45am 2½-5yrs 6 Sessions
#4302.107 02/27 - 04/03 T 09:30-10:30am 2½-5yrs 6 Sessions
#4302.108 02/27 - 04/03 T 10:45-11:45am 2½-5yrs 6 Sessions
Fee: \$86 / Resident Discount: \$76 + \$15 material fee due to instructor

Kindermusik Location: CCC/Madrone Room

Learn how to stimulate Baby's learning through vocal play, object exploration and creative movement. Children will be introduced to a musical world filled with singing, imitations sounds, rhyming, sound identification, instrument exploration and creative movement. Participants must be accompanied by an adult.

#4113.102 03/06 - 04/17 T 10:00-10:45am 0-18mo 7 Sessions
#4113.104 03/06-04/17 T 11:00-11:45am 1½-3yrs 7 Sessions
Fee: \$94 / Resident Discount: \$84 + \$30-\$45 material fee due to instructor

Additional Kindermusik classes are available for children up to 5 years of age. Call the Community and Cultural Center for more information.

Mommie & Me Tumble Fun Location: CCC/EI Toro Room

Come join the fun with other parents and their little ones: Tumble time, children songs, music movement, structured group activity and free play. Children will learn basic tumbling and gymnastics skills in a safe and fun learning environment. Parent's participation is required.

#4401.103 03/07 - 04/25 W 10:00-10:45am 6mo-3yrs 8 Sessions
#4401.104 03/07 - 04/25 W 11:00-11:45am 6mo-3yrs 8 Sessions
Fee: \$114 / Resident Discount: \$104

Mommy/Daddy & Me Soccer Location: Paradise Park

Introduce yourself and your toddler to the "World's Most Popular Game"! A variety of activities designed around the game of soccer will be played each week. Your child will develop their large motor skills and socialization skills.

#4701.103 04/ 04 - 05/23 W 09:30-10:00am 2-3½yrs 8 Sessions
#4701.104 03/31 - 05/19 S 01:45-02:15pm 2-3½yrs 8 Sessions
Fee: \$98 / Resident Discount: \$88

Art Exploration for little Ones Location: CCC/P. Jasper

This class offers a great introduction to the world of art for children. Emphasis is on hands on experience with mixed media. Children develop problem solving skills and confidence as they create projects together.

#4103.102 03/01 - 04/26* TH 03:00-04:00pm 3½-5yrs 7 Sessions
*No Class 3/22 & 4/12
Fee: \$98 / Resident Discount: \$88 + \$5 material fee due to instructor

Stomp, Rattle and Roll Location: CCC/Poppy Jasper Rm

Let your little one experience rhythm at their level and with their own personal expression. We will be crafting rhythm makers and shakers. Each class will feature time to make and try their creations. Parent must attend.

#4112.102 03/01 - 04/26* TH 01:30-02:15pm 2-3yrs 7 Sessions
*No Class 3/22, 4/12

Synchronized Swimming

We will be offering synchronized swimming for children ages 6-12, who are interested in learning about the sport. The program is geared for beginners to intermediate level of synchronized swimming, including those who have the skills necessary to perform at the age group level. Curriculum will include stretching, learning to count, swim to music and basic synchro techniques. If your child enjoys gymnastics, dance, music and swimming then synchronized swimming just might be their sport! Please bring goggles (or you can purchase at AC). Nose clips will be available for sale at the pool for \$2/each. Prerequisites: Child must be extremely comfortable in the water and be able to front and back float with ease. Must be able to swim 25 yards doing front crawl.

Morgan Hill Chamber of Commerce & Centennial Recreation Center

Present

HEALTH & WELLNESS FAIR RESOURCES FOR THE SANDWICH GENERATION

Saturday - April 14, 2007 - 10 AM to 3 PM • Centennial Recreation Center

The Morgan Hill Chamber of Commerce and Centennial Recreation Center have joined together to present the first annual Health & Wellness Fair and Resources for the Sandwich Generation on Saturday, April 14, from 10 AM to 3 PM, at the Centennial Recreation Center.

National YMCA Healthy Kids Day is also April 14, and it will be celebrated along with the Health & Wellness Fair and Resources for the Sandwich Generation, as well! Thus, virtually every aspect of living a healthy lifestyle, along with resources for those of us who are caring for both elder and younger family members, will be featured.

“This event will be an opportunity to showcase the vast resources available in the South County which support Health and Wellness at any age; from our traditional western medicine style health care providers to an array of complementary and alternative approaches in holistic health care,” commented event Chair and Certified Medical Hypnotherapist Maureen Drowniany. “Our region is blessed with many options for supporting your Health and Wellness.”

Please contact either Maureen Drowniany, 779-8491, Dan Ehrler at the Morgan Hill Chamber of Commerce, 779-9444, or Steve Rymer, 779-7271, at the City of Morgan Hill for additional information.
